4. FIA AND OTHER TITLES ELIGIBILITY

4.1 FIA titles for which the Event counts:

FIA E-Rally Regularity Cup with the following titles:

- FIA E-Rally Regularity Cup – Driving Test events for Drivers of vehicles in Article 2 in the Technical Regulations.
- FIA E-Rally Regularity Cup – Driving Test events for Co-Drivers of vehicles in Article 2 in the Technical Regulations.
- FIA E-Rally Regularity Cup for Manufactures of vehicles in Article 2 in the Technical Regulations.

4.2 Czech Trophy – ECO Regularity Rally

National trophy in conformity with separate Supplementary Regulations (other document).

5. VEHICLES ELIGIBLE TO PARTICIPATE

All vehicles must be in conformity with the Technical Regulations of the FIA E-Rally Regularity Cup.

6. GENERAL CONDITIONS

6.1 The event will be organised in conformity with:

- the FIA International Sporting Code and its appendices;
- the Sporting Regulations of the FIA E-Rally Regularity Cup;
- the applicable prescriptions stated in the National Sporting Regulations; and
- the present Supplementary Regulations.

The Organizing Committee will ensure that the event complies with all the rules and regulations stated above, and that the event has received all the required administrative authorizations.

6.2 Insurance

The Organiser has contracted insurance covering the following risks:

6.2.1 Liability insurance of the event organiser

The liability insurance entitles the insured in case of insured event to have the insurer fulfilling claims of the harmed party related to property detriment (damage), or even another detriment to the extent and in the amount specified by law, insurance contracts and the respective insurance conditions, in case insured's obligation to pay reimbursement has arisen.

The insurance covers the legally stipulated responsibility of the organiser for the detriment caused to health or property in relation to the organization of the event or in relation to training for it.

The insurance also covers damage cause by organiser on track event, its equipment and accessories or adjacent land, regardless of whether the property is owned or lease by the organiser or not.

The insurance under this paragraph shall not apply to damage caused to health or property of participant if this damage was caused by a participant (eg. driving mistake).

6.2.2 Liability insurance of the event participant

The liability insurance entitles the insured in case of insured event to have the insurer fulfilling claims of the harmed party related to property detriment (damage), or even another detriment to the extent and in the amount specified by law, insurance contracts and the respective insurance conditions, in case insured's obligation to pay reimbursement has arisen.

The insurance covers the statutory duty of the insured event participant to repay the harmed party (third party) detriment specified in DPPOP, in case insured's obligation to repay arose in connection with participation in the event or use of his/her vehicle.

As a third person is considered, among others, an official, officer and technical personal of the organiser at the event, including official officials of relevant international organizations, VIP guests and viewers. In case that this paragraph indicates a person in an employment relationship to the insured, he/she shall be considered as a third party in case he/she is delegated to the event or intended to perform certain functions during the event in accordance with international and national sporting regulations.

The insurance does not cover obligation of the insured to compensate the detriment caused to other participants of the event.

8. RUNNING OF THE EVENT

8.1 Nature of the event

The 7th Czech New Energies Rallye 2018 is an E-Rally Regularity event. Each competitor will collect penalty points from the Regularity Stages and from the road connecting the sections (Time Control penalties) in accordance with the present Supplementary Regulations and the Bulletins, which may be issued at a later stage.

8.2 Start, Finish and Parc Fermé

The start signal for the event will be given at Brewery Garden in Český Krumlov (Parc Fermé OUT), Friday, May 18, 2018. The first car will start at 7:30. The starting sequence will follow the participation number and the cars will start at one-minute intervals.

During the overnight stay between Concentration Leg and the first and second daily Legs, the cars will remain in the Parc Fermé area, which they will enter as soon as they arrive at the end of the Concentration Leg and the end of the first daily Leg. In the Parc Fermé areas, the cars will remain locked and under the supervision of the Organisers. This also occurs after the arrival of the vehicles at the finish of the second daily Leg, which is also the finish of the event. After the arrival of the vehicles at the finish of the event, they will remain in the Parc Fermé area under the supervision of the Organisers until the 30-minute time period for submitting protests has expired. Only the Stewards are authorized to declare the Parc Fermé over and release the vehicles.

8.3 Timing equipment and Tracking system

All cars must be equipped from the scrutineering until Parc Fermé open (on Saturday) with two data processing units. These units are used for results processing, for tracking any road book deviations and for tracking any breach of the traffic rules (eg. speeding).

Competition cars not equipped with GPS monitoring devices will not be allowed to start.

Deposit for GPS timekeeping and tracking system: 1 000 CZK (40 EUR)

9. CHARGING (BEV/PHEV)

The Organising Committee will supply in each Parc Fermé for recharging electric power 230V/16A (1 phase). Connection will be to basic socket or „caravan“ socket (CEE 321/031).
